Who **We Are**

AIX Investment Group is a trusted financial institution with over a decade of experience in the investment advisory industry. The Group offers innovative yet high-yielding finance instruments that enable the growth of investor capital and provide financial security and stability.

AIX Investment Group further boasts a team of highly qualified and experienced Financial Advisors who have a proven track record in preserving and increasing investor capital through Fixed Income Investment Products, Fully Licensed & Regulated Products, and sound advice in line with the investor's objectives and the current economic climate. AIX's team of Financial Advisors has a rich experience across a wide field of industries including Corporate Finance, Banking, Real Estate Development, and Consulting.

AIX's asset management philosophy lies in working with the investors, thus equipping them with financial education and guidance for generating maximum returns both from a short and long term perspective.

Further, the group operates under a profit-sharing model thus AIX stands to make a profit only when its clients make profits.

The foundation of AIX Investment Group is built on a strong understanding of intellectual and financial capital. The Group's investments are driven on the basis of expert analysis by the trading team, a sound understanding of risk management, and high-standard products across Forex, Commodities, and other Digital Assets.

AIX works with various Individual & Institutional Investors for tailored goals, ranging from being a homeowner or setting up fixed cash flow dates and securing principals.

Our History

Over a decade ago, an independent consortium of European investors joined forces and founded what today is called the AIX Investment Group an award-winning, international Investment Financial Advisory firm. AIX's products have been generating passive income for its investors averaging 18% per annum.

Selecting Dubai as the operational base in 2016 has resulted in favorable success for AIX Investment Group. In 2022, AIX set up two new international offices in Doha and Zurich. The Group has achieved local and international success based on its Financial Transparency Model.

Mission Statement

AIX Investment Group's mission is to deliver enhanced returns and ensure capital preservation over the long term for all investors through Expert Financial Advice and customized products and solutions.

Why Choose Us

“For over a decade, AIX Investment Group has generated passive income for its clients averaging 18% per annum.”

EXCELLENCE

AIX Investment Group enjoys successful cooperation, partnerships, and integration with various regulated entities across multiple jurisdictions throughout the world, allowing them to structure world-class products catering to diverse investors.

CLIENT FOCUS

Over the years, AIX has helped its investors become less dependent on revolving debt, enabling them to save for uncertain and unforeseen future needs.

SIGNIFICANT RETURNS

Client Testimonials

Karthik Hemachandran

One word for the brilliance of the AIX team, Exceptional! The well experience advisors turned around my investment portfolio in a very controlled and safe manner. They maintain a very high level of transparency throughout the process and are courteous to hear you out. I will recommend the super team at AIX any day.

Sai Chakravarthi

AIX Investment Group is one of the most reliable and result oriented firm which I know. Their experience over years gave me confidence to go with them. They listen and understand the client goals and suggests most profitable solution with their vast experience knowledge base. I absolutely recommend AIX.

Ansh Bhatia

AIX has a tailored returns and risk management based on clients specific wants and goals. The once is stunning and they are doing exceptionally well in the current market. They are professional and at the same time I have complete oversight of my portfolio and can see their investment decisions. Great returns so very happy!

Svina Wong

As a Chinese person who is new to the investment world, the level of professional and responsible services from AIX has definately made my days. I feel lucky to have an account manager (now became friends) who does not only speak the same language but also understand my real needs, Sophia has been a great help to me, i definitely need give a thumb up to her and AIX... 我一直相信找专业的人做专业的事儿, 投资管理上 AIX是确实值得推荐的

Maya Allaz

I'm very pleased with the service, support and guidance received from AIX and the entire team of advisors. I've created a stable, passive income channel to supplement and add to my portfolio. I've worked with the group for over 3 years and can highly recommend AIX as an investment firm for anyone considering a reputable and well-structured investment organization.

Eric Lecocq

I saw this company commercial during my Emirates flight and decided to contact them. I was really impressed on their approach to clients. Even though I mentioned that I just wanted to hear information about their offers, presentation I received was on the highest level and all my questions were answered. A highly professional and good quality experience with AIX. Maria Balafa had great expertise and knowledge.

From the Press

Khaleej Times

“To AIX Investment Group, it all adds up to one equation and as a fiduciary, it takes on the responsibility to help clients navigate this transition and deliver a better future for those who seek assistance.”

Gulf Business

“While moving from one transition period to another, it is crucial to have a trusted partner with a proven track record to help you navigate the uncertainty that lies ahead. For over a decade, AIX Investment Group has operated under a model of corporate sustainability that has proven to be resilient during these turbulent times.”

GULF NEWS 

“The impact it will have on your operating model will let you lead at the forefront of the industry. The AIX Investment Group has set in motion a remote process for investors that will cater for those in isolation, without affecting their lifestyle and financial status.”

**BUSINESS
EMIRATES**

“The recent changes have encouraged investors, both private and corporate, to diversify their portfolios in renewed ways. It has taught them to assess the security of capital flows and asset protection. Investors are looking for new opportunities, and owing to the current instability, their appetite and desire for financial independence is only growing.”
